Club President, Pat Rice, called the meeting to order at 7:00pm. He called for new members and guests to stand up and introduce themselves and give a brief description of their interest in photography. We welcome all new members and guests.

Club Treasurer, George Bachmann, gave his report for the month on our financial situation.

Pat Rice was our program speaker and his subject was "What to do with all your vacation images when you return home". He presented a quick overview with some excellent hints into the new Adobe software, Lightroom. It helps to keep your files organized, sorted, and optimized quickly and

efficiently without taking up large amounts of space on your hard drive. He will be teaching a Lightroom2 Class at <http://www.studio1verobeach.com/> in Vero Beach the first of the new year.

Louis Cizek was our Contest judge and we thank him for taking over this difficult task and doing a great job analyzing and awarding ribbons to the winning entrants.

Thank you also to Mary Ester Bollis and Hazel Lacks for providing the refreshments for this month's meeting.

The meeting was adjourned at 9:00.

PRESIDENT
PAT RICE

Our purpose is to provide all photo enthusiasts, both amateur and professional, the opportunity to meet with others like themselves to enjoy their hobby and learn through the programs at our monthly meetings, special training sessions, field trips and contests.

PRESIDENT'S SNAPSHOT

Now that summer's almost over, school is back in session and the weather is a bit cooler, if not wetter, it's time to start thinking about our winter photographic activities.

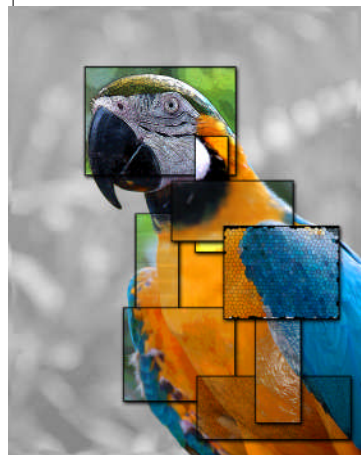

The Museum has announced the dates they made available for our 2009 Photographic Print Exhibit. The exhibit dates are December 07 through January 04, 2009. The Intake date is December 2, Tuesday, 10:00am to 3:00pm at the Vero Beach Museum of Art. Further details will be posted on our website. This date will be coming up quickly so start planning your entries now.

of the Brevard Camera Club, will present our program this month about "Photographer's Rights". Have you ever wondered what your rights are if you take a certain photograph of a building, a person, or a scene? We hope we can answer some of these questions at our next Club meeting.

Also, it's the time of year to start thinking about next nominating your Officers for next year. This year we would like to have nominees for President, Vice President, Secretary, Treasurer, and assorted committees. If you would like to take a more proactive stance in the Club any participation is appreciated.
